

Information Technologies for Complex System Analysis and Synthesis (IT CoSAS) Anapa, Russia June, 8-12, 2015

General Information

The school aims to bring together leading researchers in the area of Information Technology and Formal Models for improving human life quality, including telecommunication systems, artificial intelligence, education, environmental conservation, health, etc. There will be lectures by professors for students, while students will present short posters of their research projects.

Registration deadline

The **extended** registration deadline is **May 11**

Registration fee

The registration fee is 4000 RUR (approximately € 60) and covers attendance, coffee breaks, and social event

Invited Speakers (confirmed)

Olga Bandman, Institute of Computational Mathematics and Mathematical Geophysics SB RAS, Russia

Igor Burdonov, Institute for System Programming, Russia

Natalia Kushik, Nina Yevtushenko, Tomsk State University, Russia

Khaled El-Fakih, American University of Sharjah, UAE

Alexandre Kossachev, Institute for System Programming, Russia

Galina Zaharova, Ural State Academy of Architecture and Arts, Russia

Vyacheslav Vasiliev, Tomsk State University, Russia

Husnu Yenigun, Sabanci University, Turkey

Venue

Anapa is a Russian Black Sea resort located in the Southwestern part of the Krasnodar region, at the junction of foothills of the Caucasus and temperate grasslands of the Taman Peninsula. The region area is almost one thousand sq. km. Besides, it is one of the most ancient cities of Russia. The unique natural resources of **Anapa** distinguish it from most sea resorts. Moreover, this city is the sunniest one in Russia, where the sun shines almost 300 days per year, and it has curative 42 km long sand beaches.

Accommodation

A limited number of rooms is available for living at one of Anapa resorts where the sessions will be held. The price starts with 2000 RUR per/day, including meals.

Grants

There is still a number of grants for foreign students to completely cover their living costs at the School Venue. To apply for such grant, write an email to organizers, providing us your CV together with the title of your presentation.

Poster Session

Students are invited to prepare a Poster together with a 5 min talk about their project.

Organizing committee

Nina Yevtushenko, Natalia Kushik,

Natalia Eliseeva,

Sofia Kataeva, Anastasiya Ryazanova,

Tomsk State University, Russia

Valeriy Shemanin, Kuban State University Novorossiysk Branch
